Round 32: we will continue with the 4 tails, these will be crocheted directly on to the body of the mouse to make sure they are tightly secured.

The tails must have a length of between 9 and 11 cm when stretched. If they are longer than these can not be approved. The standard pattern counts 40 chain per tail, but your tail comes out longer. Then you use less chain to make the tail, at your own discretion.

* Make a release chain of stretched about 9 cm (approximately between 30 and 40 chains, this is less than this is possible too) - in the 3rd chain from the crochet hook. 3 hdc in in every one of the next 37 chains, a sl st in the first sc then 4 sc – repeat *3 fasten off.

Bottom:

The bottom of the mouse is crocheted separately

Round 1: magic ring with 5 sc

Round 2: incr. *5

Finishing touches:

- Embroider the nose around round 1 and 2
- The eyes around round 8
- The ears around round 10 – 12

Stuff the body with the pantyhose and fiberfill, the body must still be soft so don't overdo on the stuffing.

Lastly sew the bottom on to the body.
